MONDAY, MAY 10, 2021 AT 10AM

Under the Executive Order suspending certain provisions of the Open Meeting Law, signed by Governor Baker on March 12, 2020, all members in any meeting of the public body may participate remotely.

Board of Health Members present remotely: Dr. Joanna Buffington (chair), Francie Williamson, Pat Lariviere, Adele Blong, Catherine Mondon

Capital Projects Committee – Wastewater present remotely: Jacqueline Beebe, Jane Crowley, Peter Wade, Jared Collins

1. Targeted Watershed Management Plan (TWMP) Background and Update – Nauset Estuary

Jessica Janney of GHD presented the background on Target Watershed Management Plans and provided an update on the Nauset Estuary Targeted Watershed Management Plan. The Nauset Estuary TWMP provides a summary of previous wastewater planning, nitrogen & wastewater flows and loads, and nitrogen management alternatives and evaluations. The next step will look at compliance approaches and further investigation into nitrogen management alternatives.

2. PRB Pilot Update and Next Steps in Planning

Brooke Paulson of Environmental Strategies & Management presented an update on the installation of the permeable reactive barrier at Salt Pond Visitors Center.

Jim Begley of MT ENVIRONMENTAL presented potential expansion sites around Salt Pond for a PRB.

3. CCNSS Septic System Upgrade

Lauren McKean of the Cape Cod National Seashore provided an update on the improvements made to the septic system at Salt Pond Visitors Center.

4. Other Improvement Project Updates:

Jane Crowley provided an update on the two stormwater management projects at Schoolhouse Ministers Pond. She also updated the Board on the installation of a piloted layer cake septic system on Town Cove.

April Wobst of the Association to Preserve Cape Cod Education Outreach spoke briefly on the educational outreach plans.

Meeting adjourned.
